

INDIAN HILL SHOOTING CLUB GUEST POLICY

1. Members are permitted to bring guests with them subject to the conditions set forth below. A member who brings a guest must accompany the guest at all times. Please do not send someone to the Club as your guest without accompanying them. You must remain at the Club as long as your guest is present. The sponsoring member must accompany the guest during all activities. Do not (*for example*) leave your unaccompanied guest at the pistol range while you shoot rifle.
2. Guests are required to sign in at the range office, just as members are. Guest fees are higher than members' fees. See the posted fee structure.
3. YOU ARE RESPONSIBLE for your guests' safe behavior and compliance with the Club's Safety Rules while they are at the Club. **At a minimum**, provide them with a copy of the Club's Safety Rules and insure that they understand them **prior** to arriving at the Club. These are available at <http://www.ihill.org/pdfs/gc/IHSC%20Safety%20Rules.pdf>
4. The number of guests that you bring with you is limited to:

Rifle & Pistol Range: 2 guests per membership

Shotgun Ranges: 4 guests per membership

It is sometimes possible to accommodate larger groups by prearrangement. Call the Village office (513-561-6500) at least one week ahead to begin coordination.
