- 4) IHSC members are encouraged to schedule reservations by using the scheduling link:  
<https://indian-hill-shooting-club.appointlet.com/>
- 5) However, reservations are not mandatory and walk-ins are permitted. In the case there are no openings on the range area for the desired activity, members and their guests will be asked to wait in the parking area until space opens to allow them to use the range or shotgun fields. Those waiting will not be permitted to wait in the Clubhouses or behind the firing line unless physical distancing can be maintained.
  - a. .22 LR pistol/rifle range targets - Limited to 5 shooters
  - b. 100/200 yard rifle range targets - Limited to 6 shooters
  - c. 7/25 yard pistol range targets - Limited to 5 shooters
  - d. Skeet - Limited to 5 man squads
  - e. Trap - Limited to 5 man squads
  - f. Five Stand - Limited to 5 man squads
- 6) Members may only schedule **ONE** (1) reservation per day to allow equal opportunity for all members. If there are open shooting lanes following the scheduled reservation, members may extend their session to the next time slot.
- 7) Walk-ons/drop-ins without reservations are permitted as space allows.
- 8) Members are responsible for their own PPE devices and are encouraged to use the hand sanitizing stations installed in the field offices.
- 9) Face masks are not mandated.

## **Pistol / Rifle Range**

Physical distancing will be accomplished by marking 3 feet shooting stations, each separated by 6 feet. Members must shoot from designated areas.

The office area is limited to a maximum of 3 people at one time (one Range Master + two members). Designated floor markers will be used at 6 feet separations.

## **Skeet / Trap / Five Stand Fields**

### **1) Skeet Fields - Limited to 5 shooters**

- 6' marks are drawn on each shooting station
- Squads are limited to 5 people per round. Shooters must stay physically distanced.

Transmitters will be sanitized after each use if touched by anyone other than the Trapper. Trappers will sanitize the transmitter after each session.

### **2) Trap Field - Limited to 5 shooters**

Transmitters will be sanitized after each use if touched by anyone other than the Trapper. Trappers will sanitize the transmitter after each session.

### **3) Five Stand Field - Limited to 5 shooters**

Transmitters will be sanitized after each use if touched by anyone other than the Trapper. Trappers will sanitize the transmitter after each session.

## **Range Office, Skeet Clubhouse and Patio Area**

Physical spacing markers will be placed on the floor and balcony where necessary to establish 6' spacing at check-in and other areas.

All "shared" objects (pencils, pens, etc.) will be sanitized after each use.

**GUESTS ARE PERMITTED ONLY AS SPECIFIED ABOVE.**

**These guidelines are subject to modification and revision without notice.**
