event

Horticulture Lecture Series

“A ride through the human history, human nature and why horticulture, which does all its best work at the subconscious level, means so much to human well-being and how we can tweak our garden designs to amp up the benefits!”

Scott Beuerlein

Manager of the Botanical Garden Outreach

At the Cincinnati Zoo & Botanical Garden

Scott will discuss how “Making Landscapes Matter”

Sponsored by Rowe Arboretum

Please RSVP to Jason Donovan at (513) 561- 5151 or jdonovan@indianhill.gov
